INSURANCE  
POLICY

For the customers of

Key2Life  
Medi-Chips

Effective March 15,2015

## MEDI-CHIP INSURANCE POLICY

## COVERAGE

The Key2Life is going to offer you, our customers a very basic Insurance Policy for your Medi-Chip purchase.

Basic in the form that we are not going to bore you with all those "Insurance Terms" that no one understands anyway, so there is no need to put it on here, right?

We are going to offer you a policy that will replace your Medi-Chip in case it gets lost, damaged, doesn't work, or the logo wears off. And it will not cost a great deal either.

Only \$ 1.50 per month and you can pay it in 6 month blocks.

What happens if you damage your chip? If the damage is caused by an accident, like being dropped and you step on it, it will be covered, however if your car runs over it we would not be able to cover it as it would be considered abuse. Water damage from the rain, or your kitchen faucet will be covered but for those that are not water-proof, showering with it on, swimming in the pool or ocean\* will not be either.. Common sense will prevail in determining if we will cover it. On the opposite page we spell out what is covered and what is not.

Should you have any questions you can contact us at

1-800-275-3136 from 7am until 11pm 7 days a week.

What is will cover:

- 1- Failure of the Chip to maintain records not due to consumer error
- 2-Theft of the Medi-chip ( it cannot replace the records only the product)
- 3-Loss of the product for any reason
- 4-Errasure of the logo due to faulty screen printing ( not covered if cleaning chemicals or lacquer\* or acidic chemicals in contact with the product) Key2Life will provide a new product and transfer the persons records to the new chip.
- 5-Accidental damage to the physical product so it cannot be used..

(run over by a car, or chewed up in the garbage disposal will not be covered)

These 5 incidents are the only ones that will be covered and the fee for the policy will be **\$1.50 per month payable every 6 months.**

Only one replacement peryear will be covered..

This policy is being underwritten by SGMS Corp the parent company of Key2Life.

Address all concerns to [info@sgmscorp.com](mailto:info@sgmscorp.com) re: Insurance..

**\* if Chlorine, salt water, cleaning chemicals contact logo and bubble or remover it, it is not covered. Nail polish (clear) can be used to protect logo !**
